Sexycises Press Release

DR. AVA CADELL ~ WWW.AVACADELL.COM

Malibu, CA – Dr. Ava Cadell, voted “Sexpert of the Year” by the Sexual Health Expo, media therapist, global speaker, author, and Founder of Loveology University, is introducing a new how-to book and video project entitled “Sexycises by Sexperts: Intimacy Through Yoga.”

“Sexycises by Sexperts” features 20 experts in the fields of sex therapy and yoga, blending three popular activities -Yoga, Fitness and Partner Intimacy.

The 90-minute “Sexycises by Sexperts” video is available at *Sexycises.com* and find free clips at the Sexycises YouTube channel.

A live seminar that was first presented at the Sexual Health Expo in Los Angeles in 2017, now travels all over the world including China, Thailand, Mexico and Jamaica.

“Everybody wants to improve the intimacy in their love lives, even more than sex,” says Dr. Ava. “So I’ve created a fun way to give couples what they need - blending yoga, fitness, and intimacy. The how-to program includes yoga instruction in all styles for all levels, and it’s as much fun as Zumba with the benefits of partner yoga and meditation.”

Featured in the project are many of Dr. Ava’s protégés, including sex therapist and AcroYoga Expert Dr. Cat Meyer, and Intimacy Expert and Playboy radio host Miyoko Fujimori, both of whom are available for fun, live television demonstrations of the sensual balancing practice of acroYoga, which builds trust, intimate communication and is a novel way for couples to spend quality time together.

The “Sexycises” project was conceived after Dr. Ava’s appearance on the TV series “Kendra on Top,” where she helped Kendra Wilkinson and Hank Baskett at her Intimacy Bootcamp. They healed their relationship doing therapy and Sexycises with Dr. Ava, Dr. Nancy Sutton-Pierce and Dr. Hernando Chaves, after which Dr. Ava was inundated with e-mails from couples yearning to find their spark again by boosting intimacy in their own lives.

“Lovers can stay connected to each other on their journeys to sexual fitness and satisfaction. The Yoga poses in the “Sexycises” book range from playful to passionate, with mental, physical, emotional, spiritual and sexual benefits illustrated with artful photos. The video will complement the book with step-by-step demos allowing viewers to follow along and get to know the sexperts,” Dr. Ava adds.
